Another congratulations is well-deserved in local youth film-making. Our good friends at Gaia held an Art in Action workshop with many wonderful activities including a youth film workshop. 20 August to 4 September 2011. It is wonderful to announce that Denis Mustafa, a tutor at BSF's Plemetina (Kosovo) Learning Center, just won for his film Toxic Fun at the Depok Festival in Budapest. Congratulations Denis! Watch Denis' film.
