

PRECEDE Project

Wednesday, 10 April 2013

Last Updated Thursday, 11 April 2013

PRECEDE (Partnership for Reconciliation through Early Childhood and Development in Europe) is an EU funded project which aims at developing sustainable networks of civil society organisations concerned with young children and promoting acceptance of others and respect for diversity. Starting from country level networks, the project links regional level networks thus culminating in the International Network for Young Children in Conflict and Post-conflict Countries.
