How We Use Your Personal Data and Why

We generally use Personal Data for the following: to deliver and improve our Services; to manage your account and provide you with customer support; to perform research and analysis about your use of the Services; to develop, display, and track Content and advertising tailored to your interests on the Services and other sites, including, potentially, providing our advertisements to you when you visit other sites; website or mobile application analytics; to diagnose or fix technology problems; to automatically update the Services on your device; to verify your identity and prevent fraud or other unauthorized or illegal activity; to enforce or exercise any rights in our Terms of Service;

- We need to process your data to comply with a legal or regulatory obligation.

We may also rely on your consent as a legal basis for using your Personal Data where we have expressly sought it for a specific purpose. If we do rely on your consent to a use of your Personal Data, you have the right to change your mind at any time (but this will not affect any processing that has already taken place).
